

Subject:

ACTION: R277-726, Statewide Online Education Program (Amendment)

Agenda item type:

Action Item

Recommended Action:

That the committee approve R277-726, Draft 3, on first reading and forward to the Board for approval on second and final reading.

Background:

Assessment staff and Statewide Online Education Program (SOEP) program staff have identified issues related to assessments SOEP providers are required to administer and questions related to student access to facility space, and for certain students who qualify for fee waivers, access to technology and wifi when participating in the program. Also attached is a document describing three policy options for the Committee and Board's consideration regarding which entity should provide participating students access to technology and wifi when the student is eligible for a fee waiver.

Staff will present R277-726, Draft 3, to the Committee for consideration and approval.
